600

6ABC

**Applications:** Stores and transports a wide variety of ingredients, such as flour, sugar, rice and grains. Perfect for food manufacturers, supermarkets, restaurants, and commissaries.

**Construction:** Heavy duty, high tensile, extruded aluminum frame. Type 6063-T5 alloy. Features a life time guarantee against rust. Shipped assembled for immediate use.

**Bin:** Constructed as a one-piece seamless polyethylene liner and is extremely durable. Seamless construction will not allow sticking and seeping of bulk foods. Bins are washable and steam cleanable.

**Frame and Cross Supports:** Vertical and horizontal frame sections are 1" extruded aluminum tubing. All heli-arc welded

**Casters:** 5" diameter, full swivel design. Non-marking thermoplastic rubber wheel.

**Load Rating:** High.

**Bin Accommodations:** One (1)

**Options:** Caster Breaks (011)  
Cover 600 cart only (L814C)
