

## Wine Storage Shelving

ALUMINUM CONSTRUCTION

Item No. \_\_\_\_\_

Quantity \_\_\_\_\_

Job Name \_\_\_\_\_

Spec No. \_\_\_\_\_

**Applications:** Durable, corrosion resistant, all aluminum shelving is ideal for wine storage applications. Easy to clean, maintenance free, features a lifetime guarantee against rust.

**Construction:** Heavy duty, high tensile extruded aluminum. Type 6063-T5 alloy. Lifetime guarantee against rust.

Shelving is welded "T" bar construction with solid front and back bars. Shelving is fastened to uprights with stainless machine screws and bolts.

**Frame and Cross Supports:** Uprights are solid aluminum angle. Cross shelves are solid aluminum bar with radius cut corners to minimize label abrasion.

**Spacing:** See tabulation.

**Bottle Accommodations:** See tabulation.

**Note:** When determining unit clearance, add 1/2" to width of shelves.

**When ordering Wine Shelving call factory for ordering instructions.**

- The listed items are the standard shelf configurations
- 1.5 L Magnum Sizes are available
- Custom sizes are available.

Pictured is one set of **WIN08K** and 8 pieces of **7501-6**. 48 Bottle Capacity

### 750 ML 1 DEEP SHELF

Model	Bottles	W	D	Weight
7501-3	3	13 <sup>1</sup> / <sub>8</sub> "	12 <sup>3</sup> / <sub>4</sub> "	2
7501-4	4	16 <sup>1</sup> / <sub>4</sub> "	12 <sup>3</sup> / <sub>4</sub> "	2
7501-5	5	19 <sup>3</sup> / <sub>8</sub> "	12 <sup>3</sup> / <sub>4</sub> "	3
7501-6	6	22 <sup>1</sup> / <sub>2</sub> "	12 <sup>3</sup> / <sub>4</sub> "	3

### 750 ML 2 DEEP SHELVES

Model	Bottles	W	D	Weight
7502-3	6	13 <sup>1</sup> / <sub>8</sub> "	24 <sup>3</sup> / <sub>4</sub> "	2
